Summary

I am a Network Security Engineer who started learning the field in 2022 and completed several specialized courses. I also participated in volunteer teams at my college. I continuously seek to expand my knowledge and skills in cybersecurity.

Professional Experience

- **Information Technology Institute (ITI)** *Jul 2023 – Aug 2023*
  Cybersecurity Intern — El Mansoura, Egypt

  - Completed over 150 hours of practical training in cybersecurity and networking.
  - Gained hands-on experience in CCNA, ethical hacking, firewall deployment, and system defense.

- **Aspire Institute (Harvard-Affiliated)** *Apr 2023 – Aug 2023*
  Aspire Leaders Program Intern — Remote

  - Engaged in a global leadership development program focused on strategic thinking and effective communication.
  - Collaborated with diverse participants to address and solve real-world challenges.

Volunteer Experience

- **CIS Team - Mansoura University** *Nov 2023 – May 2024*
  Network Security Instructor — El Mansoura, Egypt

  - Delivered structured sessions on networking and cybersecurity fundamentals.
  - Mentored students in live lab environments to enhance their practical skills.

- **Bionic Team - Mansoura University** *Oct 2023 – May 2024*
  Network Security Instructor — El Mansoura, Egypt

  - Conducted workshops on networking principles, incorporating practical labs.
  - Designed personalized learning plans tailored to individual student knowledge levels.

Education

- **Mansoura University** — El Mansoura, Egypt
  Bachelor's Degree in Computer and Information Sciences
  Expected Graduation: July 2026
